

Ludlow Side Hill Croncher NEWSLETTER

Club News and Events

Welcome to Our Newsletter!

We haven't done a newsletter in a long while and we figured it was time to get one going again. When we say "our" newsletter that means it's all of ours and we'd love to hear from you as far as topics or if you have news you'd like to share. Email info@sidehillcronchers.org if you want to contribute or send feedback.

Thank you, Little Ascutney Club, for de-brushing and trenching trail #7 in Mount Holly for us!

Winter is Coming

Trail maintenance season is here. We have begun repairing trails damaged by 4wheelers and washouts and started de-brushing. Keep an eye out for trail work days on Facebook and our website. Or call Bernie's cell 802-245-4521.

Gun Raffle, Anyone?

We are in dire need of a clever fundraiser since our Golf Tournament and other fundraising was canceled. The idea of a gun raffle is being explored. Stay tuned!

ONLINE ONLY TMA FOR 2020/21 SEASON

ONLINE TMA INFORMATION VIDEOS & FAQ

TMA's To Be Sold ONLY ONLINE for 2020/21

Do you have a VAST Membership ID Number?

Online TMA's for 2020-2021 Season

VAST has decided to make TMA's only available online and only through their site (for the most part). When going on their site to buy a TMA, you will be defaulted to the club that you had in the 2019-2020 season but you can change your club if you want to. But we really hope you don't leave us ;). It is possible to join more than one club if you'd like to support clubs in areas where you ride. For example, you can buy a TMA with the Side Hill Cronchers plus you can buy a membership in another club in addition.

What this means is that we will no longer be selling TMA's online via our own website. We will provide a link to the VAST site instead. For people who want to purchase TMA's in person, we are going to have days where volunteers are available to help you, however, the TMA(s) will still get shipped to you by VAST. In the meanwhile, you can keep a copy of the TMA receipt on your phone or printed out and keep it with you while you're riding. Three day TMA's will be available for purchase at our TMA vendor locations.

You will be able to buy TMA's from your smartphone, iPad, tablet or PC 24/7 starting October 1. You will be added immediately to all VAST communications (magazines, e-new blasts, alerts).
