Where's My TMA?

Wondering where your TMA sticker is? This is a quote from the Jan 14 VAST Blast:

"As everyone knows, we are waiting on TMA stickers to send to everyone due to the paper and labor shortage across the USA. TMA stickers will look different this year than in the past and will be larger. Next season, they will look as they normally do. The stickers should be arriving to you with your paperwork in early February. Currently use your temporary TMA paperwork. Make sure to carry it with you in paper form, or a photo of it on your phone to show law enforcement. Also make sure to carry your proof of liability insurance and if born after July 1, 1983, you must carry proof that you have taken a snowmobile safety course."

Warming Hut is Open

The Warming Hut has a new color, Croncher Blue, and our volunteers have it ready for you to warm up in. Plenty of wood for the woodstove and there's a porta potty outside. We'll try to have free hot cocoa in there when we can.

Snowmobile Safety Course

On December 4th Michelle Doyle and Ron Bixby taught the Safety Course. Everyone graduated. Congrats! Thank you to all who attended and volunteered and to the church for hosting us!

Trail News

First off, we want to thank the members who joined our club this year and thank the volunteers for all of their help. We have seen a lot of familiar faces and met a lot of new faces and together we got the trails and groomer in shape for the season.

Got some trail scoop for you (for when trails open):

1. There is a small reroute on South Hill to get around a trail closure on 127 between South Hill Cross Rd and South Hill. Follow signs carefully. GPS was not updated yet. We cannot afford to lose this trail -- PLEASE-NO LOUD PIPES. Loud pipes are one of the major reasons trails close.
2. Fox Run Golf Course has a new trail to its Calcutta's restaurant and will welcome snowmobilers. They also offer 91 octane no ethanol gas and sled storage. Trail will start off of 127A near WR84 (off of the trail that goes to Pinnacle Rock).

Many thanks to the landowners that give us permission to ride these and other trails and use the Hut.
