### We Have A Winner!

BIG CONGRATS to Chad Johnson for winning our Rifle Raffle. He is pretty psyched. THANK YOU to all who participated and to Seiples Shoot Shop, the Tyson Store and Ludlow Insurance for helping us out.

Here's Chad at Seiples looking pretty psyched!

### Trail Report

Trails are in very good shape. A portion of 127A between the Warming Hut and Pinnacle Rock has been nicely redone to repair damage by 4wheelers and washouts. Debrushing, groomer and drag maintenance, signage are all wrapping up just in time for hunting season. THANK YOU volunteers for kicking butt.

### Andrew's Photo Won!

One of our groomer operators, Andrew Starr, tied for first place in the Annual Photo Contest at VAST. CONGRATS, Andrew! It will be on the cover of the Snowmobile Vermont magazine in December. His photo is so good that PistenBully reached out and wants to use it in their social media. Way to go!

### Events

Unfortunately, no Christmas Party this year.

### Online TMA Help for 2020-2021 Season

As you know, VAST has decided to make TMA purchases only available online at VTVAST.ORG. Some folks are not comfortable doing the online purchase, especially since the registration has to be uploaded. Originally, we were thinking of having volunteer day at the Tyson Store to help with online purchases, but, with the increase of Covid, we decided to help people one by one. We'd love to help you. Call or text our Membership Coordinator, Missy, at 802-558-4697 if you want assistance. Tina is also available at 917-734-0327.

### Online Snowmobile Safety Course Help

The Vermont State Police has cancelled all in-person Safety Courses this year. That means no courses in Ludlow this year. You can take the course online at <https://www.snowmobile-ed.com/vermont>. Any person born after July 1, 1983, who is 12 years of age or older is required to take and pass this course. No worries if you are having trouble. Just message the club via our website or Facebook and we will get you in touch with Michelle. She has been our instructor for years and is glad to help.

### Virtual Poker Run Inspires Other Clubs

Did you know that our Virtual Poker Run idea has inspired other clubs? A motorcycle club in CA and a snowmobile club in in Alberta, Canada both reached out to us to use our idea. ☺
